**TO:** Honorable Mayor & Members of the  
Biscayne Park Village Commission

**FROM:** Vice Mayor David Coviello

**DATE:** February 8, 2017

**TITLE:** Miami Shores Chamber Mixer

**Background**

The Village of Biscayne Park is a member of the Miami Shores Chamber and part of the Tri-Village community along with Miami Shores Village and the Village of El Portal. The vision of the Miami Shores Chamber is to create strong relationships within our communities, with local businesses and beyond. As part of that effort, the Chamber schedules monthly member events, the “Chamber Mixer”, and the Village of Biscayne Park hosted the event in March 2016, and looks to host it again this year on Tuesday, March 28<sup>th</sup> from 5:30pm to 7:30pm at the Log Cabin.

I encourage the Village to remain involved with the Miami Shores Chamber and to designate one of our elected officials to represent the Village in this upcoming Mixer and in future events.
