

RESOLUTION 2008-1

A RESOLUTION OF THE VILLAGE OF BISCAYNE PARK, URGING MEMBERS OF THE FLORIDA LEGISLATURE TO SUPPORT CERTAIN LEGISLATION DURING THE 2008 LEGISLATIVE SESSION.

WHEREAS, as Florida's population continues to increase, cities are challenged to meet the service demands and infrastructure needs to account for new growth; and

WHEREAS, a majority of Florida's municipalities are challenged to meet the increasing infrastructure, affordable housing, transportation, and water quality needs of their citizens; and

WHEREAS, the state has imposed greater accountability in comprehensive planning and fiscal feasibility standards on municipalities; and

WHEREAS, Florida's municipalities are dependent on other governmental entities for financial stability and presently the state, counties, and school districts, control every funding source that has been authorized for implementing growth management capital improvements and complying with concurrency requirements; and

WHEREAS, municipal self-determination and local self-government are constantly under attack from a variety of public and private interests; and

WHEREAS, the role and function of municipal government is constantly evolving from new demands from its citizens and businesses.

NOW, THEREFORE, BE IT RESOLVED BY THE VILLAGE OF BISCAYNE PARK

Section 1. That the Village of Biscayne Park urges Governor Charlie Crist and members of the Florida Legislature to support legislation that:

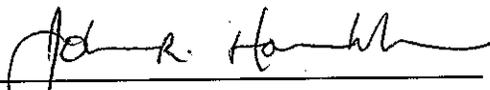

- Reauthorizes the affordable housing trust funds, preserves the documentary stamp fee as the trust funds' funding source and removes the legislative cap on fund distribution;
- Enhances public notice of and participation in state environmental permitting processes;
- Fully funds state growth management mandates and provides municipalities with state and local option revenue sources to meet financial feasibility requirements and infrastructure demands;

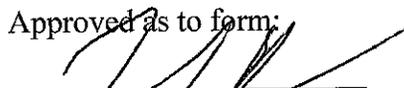

- Allows municipalities and counties to reclassify businesses, professions, and occupations and establish new rate structures for local business taxes on a periodic basis;
- Enhances municipal control over municipal employee pension plan management and funding;
- Preserves and protects property rights of mobile home owners, when mobile home parks are rezoned, but not in a manner that requires removal costs to be the responsibility of local governments;
