Northeast Miami-Dade Service Center NOW OPEN to assist residents

MIAMI, FL – North Dade residents won't have to travel downtown for assistance with basic County services with the new Service Center at the North Dade Justice Center, 15555 Biscayne Boulevard. On October 1st the new office serviced over 100 people on its first day open. **Open Monday - Friday, 9:00 a.m. - 4:00 p.m. (closed noon - 1:00 p.m.)**

Some of the services available are:

- Golden Passport new applications and renewals
- Homestead exemptions
- Auto tags renewals
- Property Tax and Local Business Tax payments
- Sale of dog tags
- Baby stroller permits
- Contractor licensing

"It's not always easy for residents living at the north end of the county to travel downtown or even further south for service," said Commissioner Sally A. Heyman. "Miami-Dade is in the business of customer service and it makes a difference when residents and businesses feel like we are accessible to them."

A Miami-Dade staff person will be available to assist residents, as well as an automated computer touch screen that will allow residents to pay their bills and access other services online. Residents can call 3-1-1 for additional information on services provided at this Service Center.
