Telephone: 305-899-8000 Facsimile: 305 891 7241

March 10, 2016

**Home Improvement Expo in the Village of Biscayne Park
Saturday, April 23, 2016 – 8:00am to 12:00pm
Ed Burke Recreation Center – 11400 NE 9th Court, Biscayne Park**

We would like to invite you to showcase your product or services at our upcoming
Home Improvement Expo.

Why would companies want to be a part of this event?

- Home improvements and remodeling are on an upswing as property owners focus on increasing their home value by making both interior and exterior upgrades, and investing in energy efficient products and services.
- Changes to the Village's Code have recently been made, and others are being considered for final approval. These changes to our Code will require property owners to make repairs or improvements to come into compliance.
- Build a relationship with the Village of Biscayne Park for immediate and future projects. The Village is comprised of approximately 1,200 residential properties.
- The Village is a member of Ygrene (www.ygrenetworks.com), a provider of clean energy financing for residential customers for projects such as water efficiency, hurricane/wind protection, renewable energy and energy efficiency. Many property owners have already taken advantage of this program for window and air conditioning upgrades in their home.

Take advantage of this great opportunity and be a part of our Home Improvement Expo on April 23rd! Space is limited, so please act quickly by filling out the vendor registration form and submitting with your registration fee.

We look forward to reserving your space and introducing you to our residents!
