

CALL FOR NOMINATIONS!

Which Biscayne Park house do you just love driving past? Which garden brings a smile to your face every time you stop to smell the roses? Which village neighbors do you think deserve kudos for the hard work they've put into their properties—how they elevate our community, our quality of life, and our property values?

The aesthetic potential of Biscayne Park is enormous, and that potential is realized every day by residents who demonstrate pride of ownership in their houses and gardens. Nominate those neighbors for the new quarterly awards that Biscayne Park will bestow in two separate categories:

- **Biscayne Park "Sanctuary Award:"** granted quarterly to recognize an outstanding home renovation project, new construction or simply a lovely, well-maintained home that contributes to our diverse architectural charm.
- **Biscayne Park "Oasis Award:"** granted quarterly to recognize an outstanding front-yard garden that contributes to our residential "Oasis in the Heart of Miami." (Special consideration given to native gardens that provide habitat and food sources for wildlife in our urban habitat.)

Winners in each category for Fall 2020 will be announced at the October 6 village commission meeting with a sign to be installed in their front yard. They'll also be recognized on the village website, on social media, and in an email blast to the community.

All residents are encouraged to **nominate one property in each category**, and you can even nominate yourself! Simply send a short email (subject line: Award Nominations) with the info below and a photo or two to villageclerk@biscayneparkfl.gov:

- Category for the nomination (Sanctuary Award or Oasis Award)
- Address and resident's name (if you know their names)
- What you love about the property and why you think it should receive that particular award
- **Deadline for nominations is Friday, August 28**

All nominees will be reviewed in September by resident volunteers from two village boards: Planning & Zoning for the Sanctuary Award; Parks & Parkways for the Oasis Award. No member of either board may win the award that it selects, and village commissioners are not eligible for either award.

Let the Nominations Begin!
