

**VILLAGE OF BISCAYNE PARK**  
**Village Commission Agenda Report**

**#Item 7.a**

**REGULAR MEETING**

---

**TO:** Honorable Mayor & Members of the  
Biscayne Park Village Commission

**FROM:** Sharon P. Ragoonan, Village Manager

**DATE:** January 10, 2017

**TITLE:** Village Manager Report: Monthly Financial Update

---

**Recommendation**

The attached summaries take a snapshot approach in examining the revenues and expenditures of each fund for the months of October and November 2016. As was the case last year, a breakdown of each line item in the budget will be provided with the quarterly reports.

**Background**

The General Fund showed a deficit of \$107,586 due to a lack of revenue collected for the month of October. It is rather customary as the bulk of the revenue collection doesn't really start until the months of November and December. Nonetheless, every department was able to stay under the 8.33 % of the budget except for Code Enforcement which went over by 1 percent. The increase of \$3,460 is for expenses incurred for a temporary replacement for Mr. Reginald White. (Exhibit 1)

The Special Funds for October were pretty much on par except for Sanitation that showed a deficit of \$40,393. Only \$500 of sanitation assessment fees were collected for the month. (Exhibit 3 A)

The numbers for the month of November were much better. With the completion of 17 percent of the 2016-2017 fiscal year the revenues were at 17% while the expenses were at 14 percent. Overall the General Fund showed a net revenue of \$90,561. (Exhibit 1)

However, it is worth to note the following:

- a) The Building and Code Enforcement Departments went over the budget by 2 percent. There was an increase in building permit revenue which in turn generated an increase in Professional Inspectors fees.
- b) The increase in Code Enforcement Department was due to the payout of \$3934 to former Code Compliance Officer Reginald White, who resigned in November 2016.

Upcoming Initiatives:

- Presentation of the 2014-2015 Comprehensive Annual Financial Report (CAFR) in February.
- Develop the budget calendar for preparation and development of FY 2017/2018 Budget.
- Evaluation on offering payment of permit fees by credit card in-person and online.
- Assessment on providing a public web portal to view code enforcement and building permit activity online.
- Presentation on interest bearing money market accounts.

**Resource Impact**

The status of the Village bank accounts for the months of October and November 2016 is provided for your analysis (Exhibit 4)

An update of different financial projects as of November 30, 2016 is also included. (Exhibit 5)
