## COVID-19 Miami-Dade County Update from Commissioner Sally Heyman April 7, 2020

- **Miami-Dade Public Library System to provide Reemployment Assistance Applications at 26 library locations.**
  - In an effort to help Miami-Dade County residents applying for state unemployment benefits, the Miami-Dade Public Library System will be providing printed copies of Florida Department of Economic Opportunity (DEO) Reemployment Assistance Applications at 26 library locations beginning Wednesday, April 8th.
  - Unemployment applications in English, Spanish and Creole and envelopes will be available for pickup at tables outside the library entrances from 8 a.m. - 7 p.m. seven days a week until further notice.
    - Residents can take the application home to fill out and then return it in the sealed envelope by dropping it off in the library location's book drop or at any [CareerSource South Florida](#) location.
    - Applications will be picked up from the book drops every day and delivered to CareerSource South Florida where they will be sent overnight to DEO.
    - Residents can also download and print a [copy of the application](#) from DEO's website and return it to any participating library's book drop.
  - Residents can call 305-375-2665 to find their nearest library location. CareerSource South Florida is available to assist with completing the application by calling 305-929-1547.

The following are the 26 library locations where residents can pick up an application:
