5. NEW BUSINESS

Meeting called to order at 9:13AM.

General discussion about landscaping the newly renovated Log Cabin. No money was set aside in that budget, so P&P is making recommendations to commission for a comprehensive landscaping plan as a separate plan.

The architect suggested minimal landscaping so as not to screen the building or cover the foundation.

Lots of discussion about steering clear of the fire equipment on the south side of the Log Cabin, with general agreement to stay outside the sign and the concrete slab for AC, as general markers.

The board walked around the Log Cabin and discussed general plant placements and creating a pallet of plant materials. Everyone contributed plant choices, and Dan emailed the following approved list to Mac for inclusion in these meeting minutes. At the next general P&P meeting on June 15, Dan will propose a layout using some/all of these plant choices.

The board also discussed existing plants on the north side of the building, including several unidentified small trees, which Mac volunteered to try to identify for the next meeting. We also discussed the possibility of moving one small tree to the west side.
